Wyo. National Guard DDR team to participate in annual Laramie Transition Day

CHEYENNE – Members from the Wyoming National Guard's Drug Demand Reduction team will support Albany County School District #1 during the annual Laramie Transition Day, starting at 8:45 a.m., June 1.

Transition day is designed for those students transitioning from elementary to middle school.

The DDR team works by using activity-based curriculum to teach drug education. There will be various team building activities for the student to participate in. These activities focus on the life skills necessary to lead positive, drug free, healthy lifestyles.

"The National Guard wants to give back to their communities, one way of accomplishing this is by educating Wyoming's youth on the dangers of drugs and alcohol," said Capt. Eric Green, DDR operations officer.
